**KEY NOTES:**

**Stain Over Existing Sealer**
Because you are applying color stain over existing sealer some color peeling may occurred. This color can be easily fixed by repeating the steps in this process.

**Maintenance**
We recommend sealing your stamped concrete every 18 to 24 months to maintain your concrete looking good.

---

**APPLY PRIMARY COLOR**
1. Re-apply color if needed - Main color - Choose from color chart
   ii. Application Video: [https://youtu.be/CnT_pTsDvZs](https://youtu.be/CnT_pTsDvZs)
